FINANCIAL POLICIES

Angel Williamson Imaging Center (AWIC) is pleased to file insurance claims; however, **the patient or guarantor is responsible for payment for all services provided.** Authorization or pre-certification of a procedure does not guarantee payment by your insurance company. Since insurance companies determine amount of payment after claims have been submitted, we cannot know in advance how much your insurance will pay.

(Initial)_____ I authorize AWIC to release to my insurance carrier(s), or their representatives, any information from my medical records needed to process insurance claims. I transfer to AWIC my right to all payments from any insurance carrier(s) for services rendered, and authorize my insurance carrier(s) to make payments directly to AWIC.

(Initial)_____ I acknowledge my financial responsibility for payment for all services provided by Angel Williamson Imaging Center, including copays, deductible, co-insurance amounts along with the entire amount of non-covered services.
